SELF-SERVE DOG WASH

Finally your bathtub can be fur free! The Wag O Mat (next to WagsPark dog park) has three self-serve washing bays that come equipped with stainless tubs and shower hoses that dispense water, shampoo, conditioner, flea and tick treatment and deodorizer through a single nozzle – which makes it easy to give your pooch a thorough scrub down. Finish up with the vacuum and blower attachment and Fido is ready for his close up. Tokens are \$5 for 6 minutes and can be purchased at WagsPark or the neighboring Shell station. –*Newtown, WagOmat.com*

SAND VOLLEYBALL

The key to an ideal sand volleyball court is its depth. Too deep, you can't jump. Too shallow, you cut your knees on rocks. Hahana Beach's courts strike the perfect balance—which make for hard spikes and soft landings. Hahana scores bonus points for hosting pro-tour events and for its cordon bleu fingers—chicken strips wrapped in ham and Swiss, then deep-fried. Don't worry, you'll burn off the calories. –*Mariemont, hahanabeach.com*
